**Sangit K. Ragi, Sunil Sondhi, Vidhan Pathak**

**Melodious Accord** Alice Parker, Linda Ekstrom, 1991

Imagining India as a Global Power Sangit K. Ragi, Sunil Sondhi, Vidhan Pathak, 2017-07-28 This book provides a comprehensive understanding of the various dimensions of India's international positioning and foreign relations. Already a dominant player in South Asian politics, India has gained a strong footing in the international pecking order with the signing of the Indo-US nuclear agreement and significant support for its claim for a permanent seat in the Security Council. The chapters presented here look at myriad aspects — India's relations with its neighbours and global powers farther afield including the US, the European Union, Russia and China; India's policies, influences and strengths; developments in economy, knowledge and innovation amid evolving global realities as well as geostrategic equations and alliances; its present and future plans vis-à-vis its standing in the world; and how international politics is likely to emerge in the coming years. The volume will be useful to academics, researchers and students of politics and international relations as also to policy practitioners and those in media interested in Indian affairs, foreign policy and international relations.

*Act One* James Lapine, from the autobiography by Moss Hart, 2016-05-16 THE STORY: Growing up in an impoverished family in the Bronx, Moss Hart dreamed of being part of the glamorous world of the theatre. Forced to drop out of school at age thirteen, Hart's famous memoir *Act One* is a classic Hortatio Alger story that plots Hart's unlikely collaboration with the legendary playwright George S. Kaufman. Tony Award-winning writer and director James Lapine has adapted *Act One* for the stage, creating a funny, heartbreaking, and suspenseful play that celebrates the making of a playwright and his play *Once in a Lifetime*. *ACT ONE* offers great fun to a director to utilize over fifty roles, which can be played by a cast as few as twelve, and in a production that can be done as simply or elaborately as desired.

Mazeppa George Gordon Byron Baron Byron, 1819 Byron's romantic narrative poem about Mazeppa, the hero of the story, who is strapped naked to a horse in punishment for his affair with a married countess. This volume also contains a fragment of a novel that is widely considered to be one of the first vampire stories in English literature.

**Serving in Silence** Margarethe Cammermeyer, Chris Fisher, 1995 A nurse with a distinguished military career chronicles

her life and discusses her decision to challenge the official position on homosexuality

**Wake Up and Smell the Coffee** Eric Bogosian, 2012-09-15 100% pure high octane Bogosian.

*Zoo Station* Christiane F., 2019-08-01 This incredible autobiography of Christiane F. provides a vivid portrait of teen friendship, drug abuse, and alienation in and around Berlin's notorious Zoo Station. Christiane's rapid descent into heroin abuse and prostitution is shocking, but the boredom, longing for acceptance, thrilling risks, and even her musical obsessions are familiar to everyone. Previously published in Germany and the US to critical acclaim, Zest's new translation includes original photographs of Christiane and her friends.

**Ligeia** Edgar Allan Poe, 2020-08-26 From time immemorial, men have trembled and withered before the power of the femme fatale. Ligeia is a story about a man, whose meeting with a strange, beautiful, and overly intellectual woman in an old city borders on the supernatural and even further into the realms of the unknown. Touching upon subjects like forbidden knowledge and bizarre beauty, Poe's story serves as an example of what awaits men who are easily led astray and then lost in the labyrinthine vistas of female beauty. Famous movie adaptations include Alfred Hitchcock's *Vertigo* (1958) and Roger Corman's *The Tomb of Ligeia* (1964). Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include *The Raven* (1945), *The Black Cat* (1943), and *The Gold-Bug* (1843).
